Other Services

**Grief Counselling & Empathy Sessions**  
Our family owner, with over 10 years experience in the Mental Health and recovery field, together with Pet Eden have designed free group workshops known as the 'Empathy Sessions' to help customers who are struggling to come to terms with the loss of their pets.

**Funeral Service and Garden of Rest**  
To celebrate the life of your companion, our trained team, combined with Furbaby Funerals, have the skills and facilities to provide you with a full funeral service for your beloved companion in the Garden of Rest. This service falls hand in hand with our Premium Service and allows customers to be present for the cremation with light refreshments served in the family room during the cremation process.

**24/7 Service**  
Our compassionate team is on standby for after hours calls and can be anywhere at anytime to support your family in your time of need.

*They say that memories are golden,  
Maybe that is true.*

*I never wanted memories,  
I only wanted you.  
In life I loved you dearly,  
In death I love you still.  
In my heart you held a place,  
No one could ever fill.  
If tears could build a stairway  
& heartache make a lane,  
I'd walk the path to heaven  
& bring you back again.  
Our family chain is broken  
& nothing seems the same,  
But as heaven calls us one by one,  
The chain will link again.*
